

Attention Visitors

We are experiencing an outbreak

Help us protect your loved ones

1. Follow all precaution signs as posted or speak to a staff member.
2. Limit your visit to one resident and avoid common areas.
3. Clean your hands with hand sanitizer:
 - Before and after leaving the resident's room
 - After coughing, sneezing or blowing your nose
 - Before exiting the building
4. Do not use resident washrooms; use visitor washroom instead.

**Together we can help stop
the spread of germs!**
